

Ceres-080/100

8"/10" Mini Digital Sign

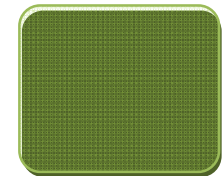

Shelf POP Marketing Display, Turning Shoppers into Buyers

*** 70% of purchase decisions are made in store**

The Ceres-080/100 is **NOT a digital photo frame**; it is quality industrial digital POP display with metal casing (VGA 300nits). Designed specifically for long hours of use. And unlike regular photo frame with 100nits brightness, its high-brightness LCD is the key to attract and engage customers from farther away and turns shopper into buyers.
